CLIENT FEEDBACK

"Salina is an amazing, Holy Spirit-filled woman of God who is compassionate, real, and trustworthy. She not only has the knowledge and the skills to help you process past traumatic experiences and dismantle strongholds in your mindset but she is also submitted and humble enough to be led by the Holy Spirit and can help you walk your path with God. I would highly recommend her to anyone that is struggling with past trauma, feeling lost in their walk with God, or is experiencing life struggles and is ready to do the work to find out why.

"Mother 2 Mother" I think all of our schools in the community would greatly benefit from having you speak and just share some enlightenment and encouragement as well as information to parents and caregivers! Thank you for all you do!"
